December 2013

Dear General Manager,

My name is Renda Haney and I am the Fundraising Chairperson for Emmanuel Christian Academy, located in Kingman, Arizona. ECA is a non-profit, private Christian school which offers students an excellent education integrated with biblical doctrine. We are very proud to say that our school's test scores are rated in the top 4% in the nation!

I am approaching you today to ask if your business could help by sponsoring our fundraising event. Our school will be hosting its 1st Annual "ECA Carnival & Worship Festival" on February 20th - 23rd at the Fairgrounds to raise awareness of our school and, most importantly, raise funds to keep our school in operation.

Of course, we would welcome brochures from your business to be placed at the event for advertisement, but we are also offering sponsorship packages in order to benefit your business as you are benefiting our event. A list of packages is attached.

We have already begun to advertise throughout the Kingman area as well as surrounding communities. As the date approaches, the event will be broadcasted with Cameron & Murphy Broadcasting companies as well as Radio Shine, KNLB, and K-LOVE. These broadcasts will reach thousands of people daily. We will also be advertizing in the Kingman Daily Miner, the Gam'Yu Newsletter, the Needles Desert Star, Mohave Valley Daily News, and Today's News-Herald Havasu News. As we advertise for our event, we would certainly thank you for your sponsorship.

If you have any questions or are in need of anything further, feel free to contact me at (928) 303-1432. Thank you for your time and consideration.

In Christ's Love,

Renda Haney

Be The BEST That You Can Be!

Attention Parents and Students – PSUSD will be offering FREE tutoring for students beginning Tuesday January 21, 2014. A variety of sessions will be available after school and on Fridays.

This is an **intensive** program aimed at getting all students at grade level. Many of our students are not meeting benchmark expectations and are at risk of retention.

PARENTS: If you are contacted by your child's teacher notifying you that your child needs tutoring, *please* make sure your child is able to participate! The entire school staff will be involved in this effort. Transportation to Buck & Doe and across the tracks will be available for students who live in those areas. Your child's teacher will provide detailed information when they contact you.

Dear Community Partners:

As we look back and reflect on 2013, we would like to take this opportunity to personally thank you for your support of First Things First during the past year. Whether it was through words of encouragement, support or volunteerism, your generosity is always much needed and greatly appreciated. Our activities are varied and serve many young children, families and the professionals that work with them.

We have successfully implemented the following programs throughout the year:

- Home visitation, through the Maternal Child Health Program, to aid in the healthy development of children birth through five;
- Access to child care by providing the funds for the infant/toddler room in the new Day Care Center;
- Scholarships for teachers that work with children birth through age five to improve children's learning experiences; and
- A bilingual book series – with audio – developed by the Department of Cultural resources, for the community.

Despite all of our efforts and strategic work, we still have much to do for young children and families. As James Heckman, 2000 Nobel Laureate in Economic Sciences has stated, "Learning starts in infancy, long before formal education begins, and continues throughout life...As a society, we cannot afford to postpone investing in children..." Our passion is to provide each child in the Hualapai Region the opportunity to reach their full potential.

The Hualapai Regional Partnership Council invites you to attend our regular meetings and become more involved with the Regional Partnership Council in this early childhood movement. For more information please contact us by phone, at (928) 854-8732, or email apascual@azftf.gov.

Joyfully,

Pete Imus, Chair

COMMUNITY MESSAGES

Gratitude

I would like to express my gratitude to the Hualapai Tribe for the funeral expenses donations from Enterprises (cups, plates, flowers & water) for our beloved brother, uncle Clifton Achee.

Time like this, it is very hard to deal with a loss to our family, but with family, friends and acquaintances, we are able to move forward with comforting words, hugs and encouragements. So, our gratitude goes out to the community members as well, for your cooking, serving, sewing, and donations. Also, for attending the services all night. The gourd singers that were there, greatly appreciated the songs that were comforting and sent my brother on his journey. For I will miss seeing him among you all.

Thank you Rochelle for making the flyers and memory cards at short notice.

EMERGENCY SERVICES BIRTHDAYS

Kerwin Powsey ~ Firefighter/EMT

Thank you for your service to the community of Hualapai!!

To My Ex

On January 23, 2012, you decided to divorce me. It really broke my heart, I couldn't take it. I hit rock bottom; I was lost and lonely. I started doing drugs, alcohol and chasing women around. Yes, I admit it, I did it all. I tried to work things out with you and there again, I was out the door. I was living in a world of hate, vengeance, selfishness and anger upon myself.

I live everywhere, whoever opened doors to me; from place to place, from town to town. I try to survive in a world of chaos and hatred. Everyday, I was using drugs and alcohol, just to forget about you. As my tears fell down, I couldn't understand, why me?

On March 11, 2013, I was admitted to RTC, Residential Treatment Center, in the Gila River Reservation in Laveen, AZ. There I was in denial, I can't do this. I pray to God to forgive me for those I hurt, emotionally and physically, especially you. Yes, I was here for my children, willingness and court order. As day went by day, I prayed to God to give me strength and willingness to complete my program. On August 15, 2013, I successfully completed my program. I was so happy to see my Aunt Clara Mahone, and Cousin David Mahone and his wife, Winifred Paya; but you still the self-centered person, voicing doubts about me. That's okay, all I can do is pray for you and our children.

Last Christmas, I gave you my heart but the very next day, you gave it away. This year, to save me from tears, I'll give it to some special. Yes, I met a friend, willing to be supportive and helping me out with this addiction and alcoholism disease. One day, I went to a sweat lodge in Phoenix, AZ and I was praying that someday I will meet the right person. At the same time, the counselor aide was praying and told us to be patient my relatives, the right person will come. He was right; the day came along where I met someone special and she showed me how to love and smile again. If I can make an example of being sober, my life can start all over.

Congratulations

I would like to congratulate my granddaughter, Jewel Honga, for being the first Hualapai to win the title of "Ms. Indian NAU." The pageant was held at NAU on Thursday, November 14th, 2013. She competed against three other contestants. I was not able to attend and cheer for Jewel but Monica Romo said "Jewel was calm and at ease on stage. She represented our Hualapai people very well." Monica said Jewel was even funny. Jewel's modern dress was a Hualapai ribbon dress that was made to match her Hualapai cape, which she beaded herself and it is beautiful. Her traditional talent was demonstrating how to prepare pinon nut butter, Prickly Pear jelly, and red berry juice.

Jewel received a \$1600.00 scholarship and she has been interviewed by a few NAU clubs and organizations. Jewel has also been invited to participate in various events on campus. For example, Jewel was asked to introduce Evan Adams and give an invocation at an event featuring Mr. Adams. Mr. Adams is the actor who played Thomas Builds-The-Fire in "Smoke Signals." After filming Smoke Signals, Mr. Adams went to medical school and became a doctor. He is now the second highest ranking Native Physician in Canada.

Jewel also competed in the Ms. Indian Arizona Scholarship Program. The event was held in Chandler on October 12th. There were 11 contestants and unfortunately, Jewel did not place. As her grandmother, I thought she was the best contestant and I thought she should have won. However, it was not to be and it was good learning experience for us all.

My granddaughter is a senior at NAU. She is majoring in Business and considering a second major in either Hotel, Restaurant Management or Marketing.

I am excited to watch Jewel officially start her reign for 2014. I know she will do great this year.

Respectfully submitted

A proud grandmother, Peggy Crozier
